

STATEMENT OF ENVIRONMENTAL POLICY

The Powerrun Group of companies (PG) consists of Powerrun Holdings Ltd and its subsidiary companies:
Powerrun Project Management Ltd, Powerrun Pipe-Mech Ltd & Powerrun Industrial Fasteners Ltd

It is the Policy of PG Directors to establish and maintain a Environmental Management System (EMS) which satisfies the requirements of ISO 14001:2015

PG will ensure that it manages and controls the environmental impact of ALL its business aspects. A Business Aspects Environmental Impact(s) Risk Assessment has been carried out to assess the impact of each business aspect linked to relevant legislative and regulatory requirements. This assessment has identified that the company does not have a significant environmental impact.

This Environmental Policy commits us to:

- Comply with all applicable environmental legislative and regulatory requirements.
- Monitor all business activities and their resource usage to identify opportunities to minimize waste.
- The continual improvement of our environmental performance and the prevention of pollution.

This policy provides a framework for setting and reviewing environmental objectives and targets that can be measured and analysed. These objectives and targets will focus on the management and control of solid wastes, where the preferred action will be one of the following therefore minimising wastes going to landfill.

- Eliminate the cause of the waste
- Re-use waste from one business aspect in another aspect
- Recycling of the waste through Licensed Waste Management Contractors

Where technologies not incurring excessive cost allow, we will act to reduce our energy usage.

Subscriptions to external bodies are used to keep abreast of changes to environmental legislative and regulatory requirements, which relate to our business aspects.

To ensure continued compliance with environmental legislative and regulatory requirements, the Business Aspects Environmental Impact(s) Risk Assessment will be reviewed annually during formal management review meetings.

The policy will be communicated to all employees and is available to our customers, suppliers and to the general public through our website. www.powerrun.co.uk Its content will be reviewed annually for continuing suitability during formal management review meetings.
