2. Policy Statements

2.1 Health and Safety

The Powerrun Group of companies (PG) consists of Powerrun Holdings Limited and its subsidiary company Powerrun Pipe-Mech Limited.

PG is committed to pursuing excellence in everything it does and this includes the management of health and safety.

General Principles

1. We are committed to giving health and safety the highest priority in all of our activities.
2. We expect our employees to share this commitment by complying with our policies and, where appropriate, our procedures and to understand that they too have legal and moral obligations to themselves and to one another.
3. We are dedicated to ensuring the health and safety of all persons who may be affected by our activities by:
 - a. Providing, managing and maintaining a work environment, so far as reasonably practicable, safe and in which risks to health are controlled.
 - b. Providing adequate and appropriate facilities and arrangements for welfare at work.
 - c. Providing, managing and maintaining our workplaces, so far as reasonably practicable, safe and that risks to health are controlled.
 - d. Providing, managing and maintaining plant and equipment so that it is, so far as reasonably practicable, safe and that risks to health are controlled.
 - e. Ensuring that the use, handling, storage and transport of items and substances are carried out safely and that risks to health are controlled.
 - f. Implementing systems of work that are safe and where risks to health are controlled.
 - g. Providing the necessary organisation, expertise and resource, including communication and consultation, planning, monitoring, inspection and auditing procedures to ensure that there is effective management of health and safety throughout the company.
 - h. Ensuring that our employees and any contractors we employ are competent and carry out risk assessments for all the work they control.
 - i. Providing the information, instruction, training and supervision at all levels necessary to ensure that our employees are aware of the hazards at their workplace, together with the appropriate measures to be taken to protect against these hazards.
 - j. Giving adequate information on relevant hazards to any persons whose health and safety might be affected by them.
 - k. Monitoring the safety performance of contractors who work for us.
 - l. Keeping up to date with best practice in relation to health and safety and complying with all relevant legislation and authoritative guidance.
 - m. Consulting with and involving our employees in matters relating to their own health and safety.
4. We undertake to continually review and develop our safety management systems, with the overarching aim of conducting our activities in a manner which does not affect the health and safety of any employee, contractors, visitors or members of the public, or adversely affect the environment.

This policy is available to our customers, suppliers and to the general public through our website. www.powerrun.co.uk. Its content will be reviewed annually for continuing suitability during formal management review meetings.
